PROFESSIONAL SUMMARY

Results-oriented WordPress & Shopify Developer with over 4 years of hands-on experience in designing, developing, and maintaining high-performance, fully responsive websites. Skilled in custom theme development, theme customization, plugin integration, and WooCommerce and Shopify store setup. Proficient in HTML5, CSS3, Bootstrap, and Figma, with strong expertise in translating client requirements into scalable, user-friendly, and visually appealing web solutions. Experienced in improving website speed, ensuring cross-browser compatibility, and implementing best practices for security and performance. Committed to writing clean, efficient code and delivering pixel-perfect designs that enhance user experience and support business growth.

WORK EXPERIENCE

Sr. WordPress & Shopify Developer | [SKS Tech Solutions Pvt. Ltd.](#) – Noida, India

September 2025 – Present

- Working on live USA-based client projects, developing and customizing WordPress and Shopify storefronts tailored for international markets.
- Building responsive, high-converting Shopify stores with custom theme development, app integrations, and payment gateway configuration.
- Developing custom WordPress themes and plugins to meet US client-specific business requirements and UX standards.
- Collaborating with cross-functional teams to deliver pixel-perfect, performance-optimized websites aligned with client brand guidelines.
- Ensuring cross-browser compatibility, Core Web Vitals optimization, and ADA/WCAG accessibility standards for US-market websites.

Sr. WordPress Developer | [Astro Arun Pandit](#) – Noida, India

June 2024 – August 2025 (1 yr 3 Months)

- Developed and maintained responsive, high-performance WordPress websites for Occult Gurukul and GemsMantra, two key platforms under Astro Arun Pandit's brand ecosystem.
- Customized WordPress themes and integrated plugins to deliver seamless, brand-consistent user experiences across all platforms.
- Implemented dynamic API-based checkout flows and integrated Razorpay payment gateway for secure and smooth e-commerce transactions.
- Performed robust error handling and debugging across checkout and booking modules to minimize transaction failures and improve conversion rates.

- Managed ongoing website maintenance including performance optimization, security updates, and content management to ensure maximum uptime and user satisfaction.

Senior WordPress Developer | [Webment \(A Subsidiary of SFL Worldwide\)](#) – Ahmedabad, India

September 2023 – June 2024 (10 Months)

- Develop and maintain responsive, SEO-friendly WordPress websites for diverse clients across industries.
- Customize premium and custom themes to match client branding requirements with pixel-perfect precision.
- Integrate and configure third-party plugins including WooCommerce, Elementor, WPBakery, Divi and contact form plugins.
- Optimize website performance (page speed, Core Web Vitals) achieving 90+ scores on Google Page Speed Insights.
- Collaborate closely with design and marketing teams to implement digital strategies that improve user engagement.
- Manage complete website lifecycles from wireframe to deployment, including content updates and security maintenance

Web Designer & WordPress Developer | [TechRabbit \(Brandtailors \)](#)– Ahmedabad, India

February 2022 – September 2023 (1 yr 8 Months)

- Built and managed dynamic WordPress websites for Brand Tailor, focusing on custom theme development and UX best practices.
- Integrated marketing automation tools and CRM plugins to support client lead generation and conversion goals.
- Performed regular speed optimization, database cleanup, and security hardening for production websites.
- Converted PSD and Figma designs into fully functional, cross-browser-compatible web pages.
- Delivered 30+ client projects on time with a satisfaction rate of 95%+ through effective communication and iteration.
- Implemented customizable workflows and UI elements using HTML5, CSS3, jQuery, and WordPress custom post types.
